Hello Friend,

As a business owner, I am sure you are aware of the positive impact advertising has for your business. In addition, showing support for local, non-profit organizations helps to communicate to your existing and potential customers that you care for and invest back into your community. I would like to ask your consideration in supporting our organization by advertising in our upcoming event programs. But, before I give you the sponsorship details, here is a quick look at these events.

On October 11-12 & 18-20, 2024 WaCPAC will be presenting “WaCPAC’s Marvel Double Feature” including two one act shows based on characters from Marvel comics. “Hammered: A Thor and Loki Play” will be directed by Sutherland Singenstreu and “Mirror of Most Value: A Ms. Marvel Play” will be directed by Tara Martens. Based on the classic Thor and Loki characters, “Hammered” explores the Asgardian princes' teen years as they find a way to truly accept one another for who they are, brothers. “Mirror of Most Value” focuses on Jersey City’s teen superhero Ms. Marvel and her struggle to find a place to fit in. The show will feature local talented performers ages 13 and up. Time of performances will be 7:00pm Friday and Saturday evenings and 2:00pm on Sunday. General admission tickets are \$20 for adults and \$15 for youth under age 18. Tickets will be available for purchase online and at the door. Performances will be held at Wayne Center for the Arts, 237 South Walnut St. in Wooster.

The Wayne County Performing Arts Council is a non-profit organization dedicated to providing performing arts opportunities as well as family-friendly entertainment to the people of Wayne County, Ohio. Run completely by volunteers, this organization has been serving the area since 1982. Without the support of local people and organizations, WaCPAC could not do what it does. Would you please consider sponsoring these events? Sponsorship details can be found on the following page. WaCPAC is a 501(c)(3) non-profit organization, and any support given, including any given in the form of program ads, is tax deductible as a business expense.
